GRR Section 3 - Car Rules v15.1-NASA-Rally-Sport-General-Regulations-for-Rallies-Section-3

are amended as follows:

The last line of 1.3.6 **3.38.1.1 Helmets** is amended as to Snell 2010 Helmet expiration and to clarify the inclusion of the SAH type as well:

**3.38.1.1 Helmets**

**All members of the crews competing in events pursuant to these rules must wear helmets with one of the following ratings:**

**1. Snell Foundation SA2010, SAH2010 or newer. SA2010 and SAH2010 helmets will expire December 31 2022.**

Comment: Due to current SA2020 Helmet availability issues in some product lines, NASA Rally Sport has extended the expiration of SA2010 and SAH2010 helmets through the end of 2022.

This provision is effective immediately.
